

## **How to get to the Best Western Palace Hotel & Spa: IV3 5NG**

### **From Perth A9**

On entering Inverness continue on the A9 towards the Kessock Bridge following the signs for Fort William (A82). On reaching the roundabout before Kessock Bridge stay in the left lane and take the 1<sup>st</sup> exit left. Staying in the left lane at all times follow the signs for Fort William, which will take you through 2 roundabouts. At the third roundabout take your first left (the graveyard will be on your left hand side), follow the road round to the left. Move in to the right hand lane and at the traffic lights take the right turn and head down the hill toward the river. Follow the road round to the left (the river will be on your right hand side) and follow the road all the way to the bridge. Again make sure you are in the right hand lane to make the right turn over the bridge, when crossing the bridge move into the left hand lane to take the first left as you come off the bridge. The Palace is 100 yards on the right hand side directly opposite the Castle. The car park entrance is on the right just after the main entrance at the front of the Hotel. See below for car parking and valet parking information.

### **From Aberdeen A96**

You will arrive at the roundabout, which you will leave at the 3<sup>rd</sup> exit left. This will take you up onto the A9 and approach again the Kessock Bridge. Follow the directions as if coming from Perth.

### **From Fort William A82**

Follow the A82 into Inverness until you come to the river. Make sure you are in the right hand lane so you can turn right before the river onto Ness Walk (Watch out for oncoming traffic when you turn). The river will then be on your left. We are the second Hotel on the right and the car park entrance is on the right just passed the main hotel building.

### **From Wick or Thurso A9**

Going over the Kessock Bridge make sure you are in the middle or right hand lane. You want to take the 3<sup>rd</sup> exit left and then follow the instructions as if coming from Perth.
